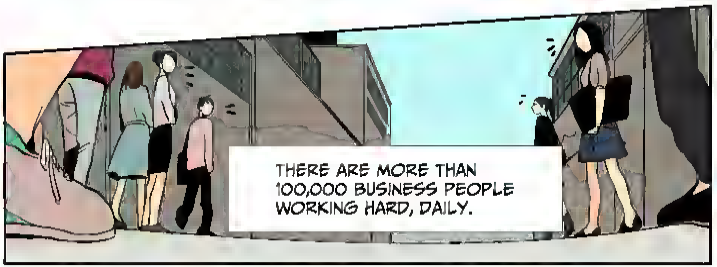
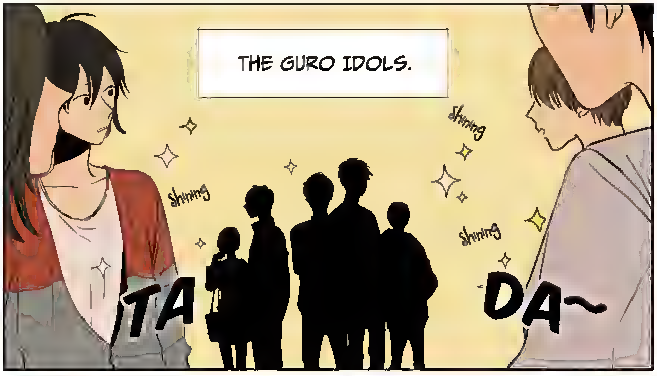
DIGITAL COMPEX
GURO.
THERE ARE MORE THAN 8,000 BUSINESSES IN THIS COMPLEX, IT IS A REPRESENTATIVE CONGLOMERATE OF SOUTH KOREA.



THERE ARE MORE THAN 100,000 BUSINESS PEOPLE WORKING HARD, DAILY.



THE DANGEROUS DREAM OF 100,000 WORKING FOLK WHO SUFFER NIGHT AND DAY FROM OVERTIME, REPRIMANDS, AND COMPETITION

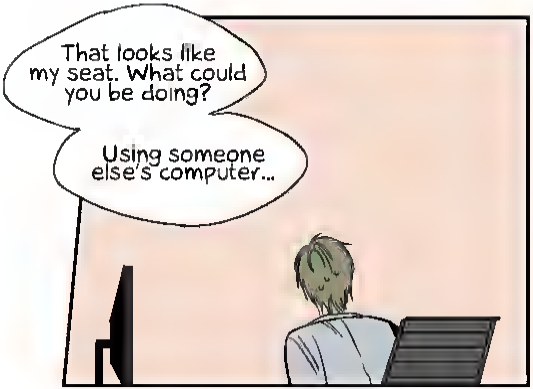
THE FORMING OF A DESIRE WHICH MAKES YOU YEARN FOR A ROMANTIC RELATIONSHIP WITH A HANDSOME MAN

Kyaaaaaaa

THE PEAK OF THEIR DESIRES BEING...

PRINCE OF
PRINCE

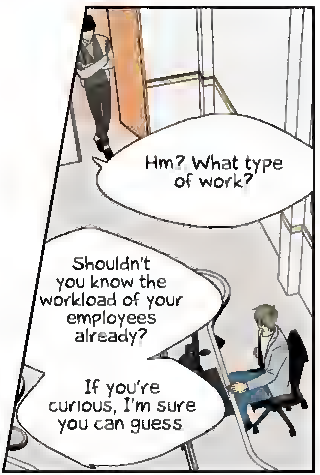
But,



That looks like my seat. What could you be doing?
Using someone else's computer...

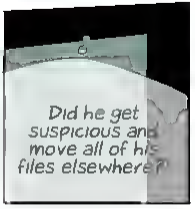
My computer specs weren't great.
Glance
I was just... Working.
This shithead...

Ta Da!
There's not even anything installed on this computer!
What the hell?!



Hm? What type of work?
Shouldn't you know the workload of your employees already?
If you're curious, I'm sure you can guess

What's going on? I can't find any trace of his work.!
GRIP



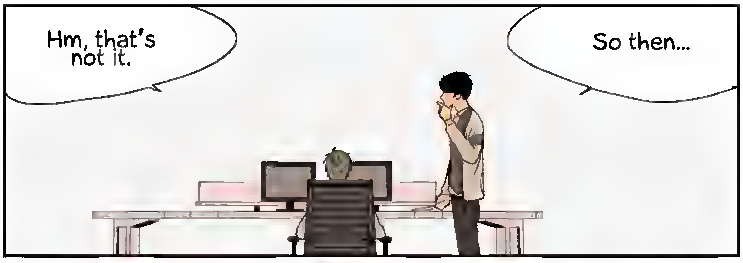
Did he get suspicious and move all of his files elsewhere?

Hmm...
That careful bastard!

But, you are using another person's desk,
step
step
And that person's computer,
Alone, in a dark office

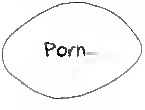
Working overtime when you weren't told to do so.
Flinch

...Would you happen to be a spy?
CHILLS



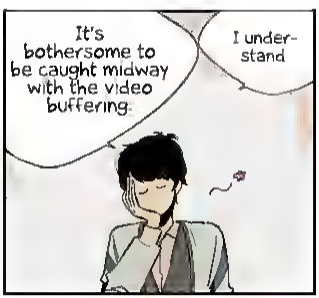
Hm, that's not it.
So then...

Did you come to watch gay porn?



Porn...

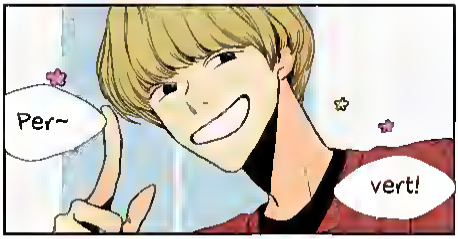
HAHAHA!
You got me, alright! Hahaha!



It's bothersome to be caught midway with the video buffering.
I under-stand

Ah, I can keep a secret. Hehehe.
Goodness, thank you.

CASTLE
SOFT



Per~
vert!

Trash.

Don't be silly.
Tap
It's only natural.

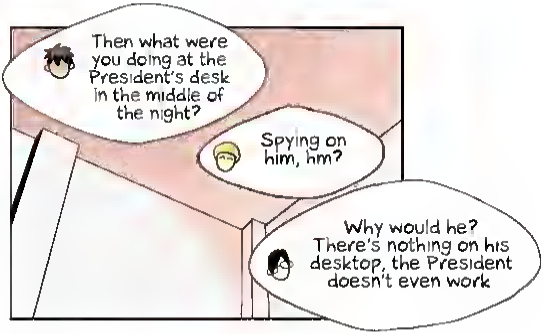
... But,
Ahem Ahem
How could you do such a thing with a work computer...

Are there really only men in those videos?
I'm gonna kill you, Lee Mang Ryong
Trembling
Rage

Ah...
Erm..

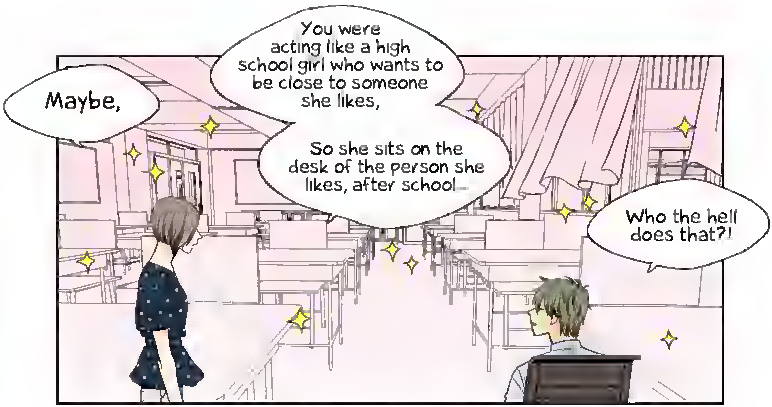
Park Shi Hyun,
I didn't say any-
You're the only one who knew?!

I was ashamed, so I didn't want to say anything...
I wasn't actually watching porn that night.

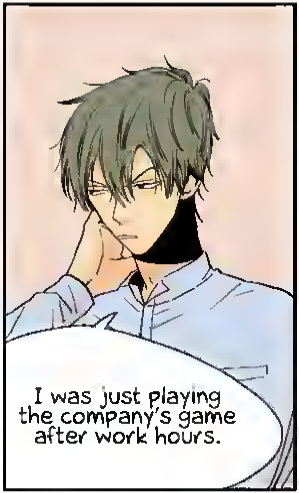


Then what were you doing at the President's desk in the middle of the night?
Spying on him, hm?
Why would he? There's nothing on his desktop, the President doesn't even work

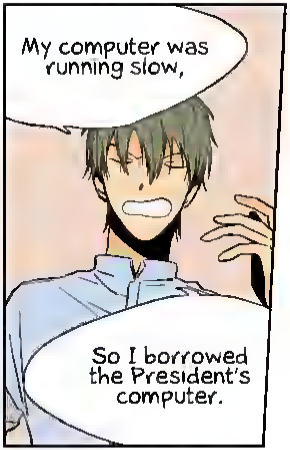
DADUM
That's why there was nothing!



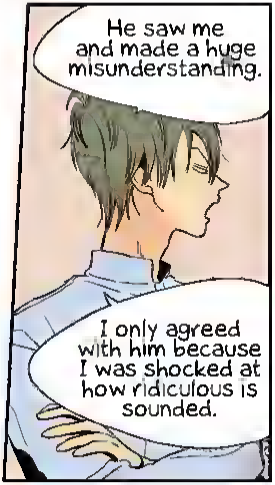
Maybe,
You were acting like a high school girl who wants to be close to someone she likes,
So she sits on the desk of the person she likes, after school
Who the hell does that?!



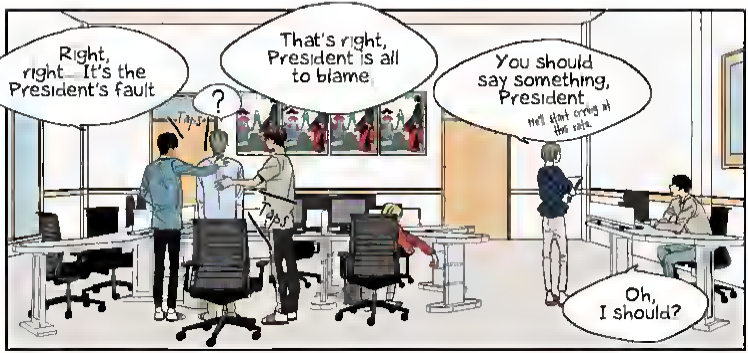
I was just playing the company's game after work hours.



My computer was running slow,
So I borrowed the President's computer.



He saw me and made a huge misunderstanding.
I only agreed with him because I was shocked at how ridiculous is sounded.



Right, right... It's the President's fault
That's right, President is all to blame
You should say something, President
He'll start crying at this rate.
?
Tap.
Tap.
Oh, I should?

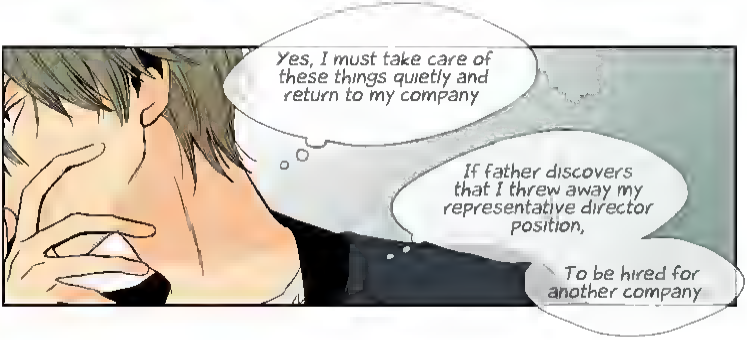
Well~
Then let's just say that I misunderstood
YOU DAMN JERK! WHY DOES YOUR FACE LOOK LIKE YOU RE FORGIVING ME FOR SOMETHING OUT OF THE KINDNESS OF YOUR HEART?!

Why do you continue to abuse yourself there, Young Master.
You can just,

Buy out their employees with million dollar annual salaries.
Or you could buy the building of their company.
You can even purchase the rights to The Secret Garden...
EXCLUSIVE!
MS Company officially taking over The Secret Garden's development!

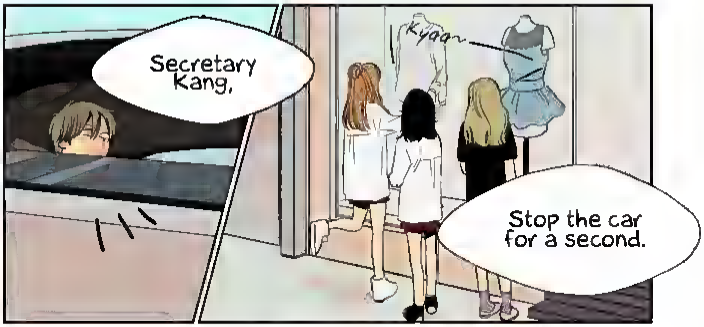
Are rich people all rotten with money?
The rich can be very cheap

I don't want to be caught by suspicion of malpractice
I have to behave all nice until I am officially named the successor

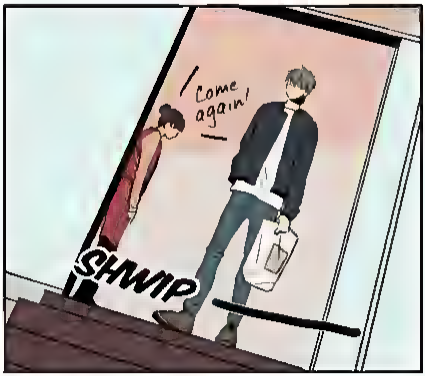


Yes, I must take care of these things quietly and return to my company
If father discovers that I threw away my representative director position,
To be hired for another company

DO YOU THINK I'M GOING TO LEAVE THIS COMPANY TO YOU?!
Have you considered cutting the internet to your sister's room?
That way she couldn't play the games.
Hmph!
Do you want her to disown me? Imagine if I did that.
She isn't speaking to me now, let alone for the rest of our lives.
Will you take responsibility for the outcome?
Ugh...
YOU'RE NOT MY BROTHER ANYMORE! GET LOST!



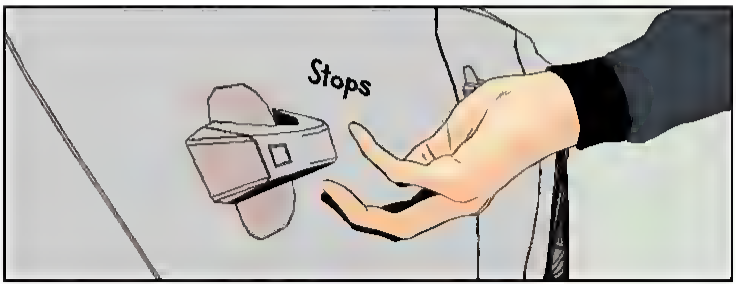
Secretary Kang,
Kyaa~
Stop the car for a second.

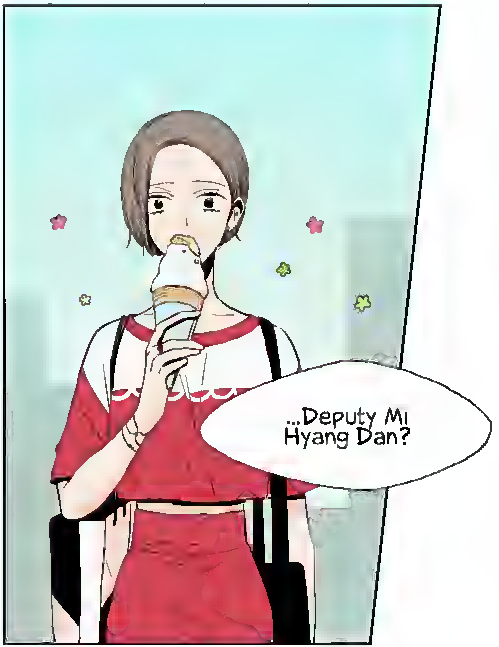


Come again!
SHWIP

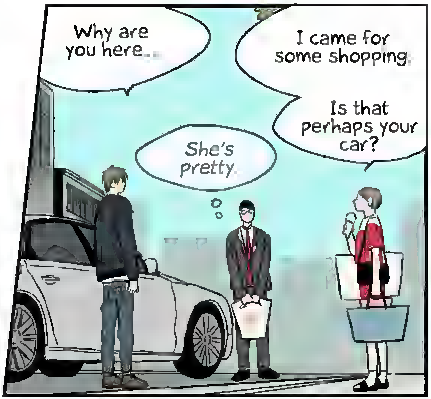
These are clothes Yoo Na's asked for in the past.
Hu hu hu.

Park Shi Hyun?





...Deputy Mi Hyang Dan?



Why are you here...
I came for some shopping.
Is that perhaps your car?
She's pretty.

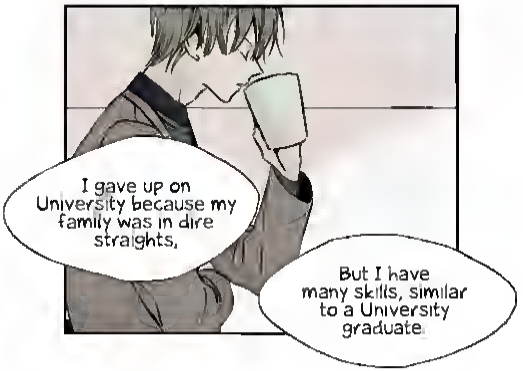
...Well, it's a common car
Heh
Is she loving my brand new Audi?
My car is really gorgeous

STEP
It may look this away,
But it has an excellent engine.

Would you like a ride?
Ah, I'm speaking of the car, of course.

Hm ..
Didn't you say that you were gay?
And I believe you had said you had a poor background
What?
What do you mean...

!!

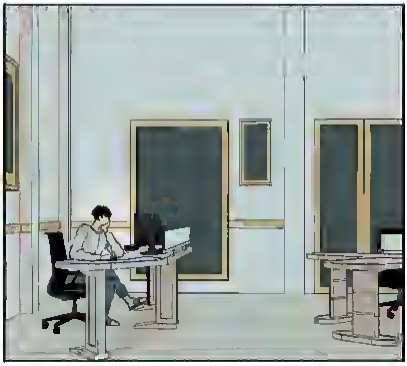


I gave up on University because my family was in dire straights,
But I have many skills, similar to a University graduate.

..Well,
Damn...

I bought it,
With all my earnings.
A 62-monthly instalment Financial lease!
TA
DA!

So now I am dirt poor and living in the basement.
Heheheh ehehe.
He must be crazy.



...He didn't plan very well.

Who?

There's no trace of him playing games at all.
Or even using the internet.

..He was looking for something, though.

He seemed pretty suspicious in his interview..

Is he really a business spy?
Clatter
We'll have to wait and see.

Looks like he lied when he claimed he was gay.
Why would he lie about that?

He must have a motive... Anyways,
Steals
